

Expectations and Requirements of Assistants

1. Dress in proper attire for type of class you are assisting. Always look neat and prepared.
2. Arrive 5 minutes prior to class and stay 5 minutes after class until all students have been picked up.
3. Speak clearly and with confidence.
4. Smile and show how much you enjoy dance to the children.
5. Know your class routines. Record steps in a notebook if that helps to remember.
6. You are expected to attend each class. When you can't make class call the Instructor of that class and attempt to find a substitute. (Sub list will be provided)
