**Our Philosophy:** We provide a fun, professional and non-competitive atmosphere for our students who range in age from 2½ to Adults. Dancers receive instruction at all levels for a solid foundation in many dance forms. Personal creativity, confidence and self-discipline are encouraged through structured classes which emphasize the joy of dance!

**Scholarship Fund:** It all started in 1988, when a student's parent lost their job and could no longer pay dance lessons. Irma and Denise put their heads together and came up with a way to raise scholarship funds for young people that love to dance! Since then they awarded close to 500 scholarships and continue to offer 15-20 scholarships per year.
