- ❖ **DO NOT** wear perfume, body spray or scented lotions to class. Many people have sensitivities and some have asthma that can constrict breathing.
- ❖ **DO** neatly pull back your hair in a style appropriate for the class you attend.
- ❖ **DO** wear proper dance attire. Not everyone feels comfortable in a leotard and we most definitely are sensitive to this concern. However, street clothes and pajamas are not appropriate.
- ❖ **DO NOT** wear long baggy pants, your teacher will not be able to see your ankles/knees to check for proper alignment.

Thank you! Happy Dancing!
